FISHERIES & HOLIDAY LET

NEWSLETTER

Edition 11

October 2021

It's got very autumnal all of a sudden, hasn't it? There's mist in the mornings (so Terry tells me!) and the temperature is dropping, which is good news for the fish. All pools are now up and running and business is back to how it was.

So we hope to see you all back soon,

Love, Emily and Terry x

'Tackling' Macmillan Coffee Mornings

A big thank you to all those that came along to support our Tackle Sale and Macmillan coffee morning last Saturday 25th September. We had wonderful cakes, coffee, jams and pickles donated as well as a lot of fishing books and rods etc!

I think our stall holders may well have bought more than they sold 😊.

There was a warm and friendly community spirit and we have managed to raise £200 so far for this good cause. As a result of this, we still have many rods and items for sale. Please call into the office to see what is left and to make a sensible offer. All money will go to Macmillan Cancer Support whose nurses have helped people far and wide and close to us.

Please note that Saturday October 9th we are closed until mid afternoon for a private hire event.

Competitions galore!

We have enjoyed two competitions in the last 6 weeks or so. Firstly, we held a wonderful Summer Challenge which was sponsored by Malvern Electroplating Ltd who donated the prize money. And we also have held the September Trout masters final for our Fishery which was won by Dominic Halliday with the heaviest 4 fish bag. We had a great time on both occasions and are looking forward to hosting another one around Dec/ January time – all being well.

Rod and Tackle Hire

We now hire fly rods and equipment for hire. £12 for the day. If you would like this let me know in advance so that it is there for your needs.

Fishing Lodge Special!

The success of the holiday lodge has been a relief during these last few months. We are still taking bookings right the way through the year.

If you fancy an overnight/few days break let me know and I can check availability. You don't have to have a large group of people to hire it out, we will hire for 2 or 3 people at approximately £65 pp. per night during *October and November*. Alternately, it can sleep 7 people. You can enjoy the fishing at 1/3rd off and peace and quiet – catch a fish and BBQ at night? Email me on bransfordfisheries@gmail.com or catch me in the office.

GENTLE REMINDER – WE NO LONGER DO THE EXTRA FISH AT £5. PLEASE PAY FOR THE TICKET YOU REQUIRE OR BUY AN ADDITIONAL TICKET. THANK YOU
