A WARM WELCOME AWAITS...

And Poof! Another year comes round. January heralds cold, crisp mornings and often windy days. But on the calmer days, get out from under that duvet, scrape the ice off your windscreen and come and find us. Check fb and give us a call to ensure the lakes aren't iced over though.

Happy New Year

“SHARING THE FUN OF FISHING TURNS STRANGERS INTO FRIENDS IN A FEW HOURS.”

EUGENIE CLARK

December was a difficult month as the lakes froze over for 11 days and then the hustle and bustle of Christmas. We had quite a few anglers in the 'limbo' week between Christmas and new year. It has been a slow start to the year so far due to the winds and ice. Currently the Walton pool is fishable and popular with all catching their bag. The lodge pool is partially iced over but only mildly with the fish rising well.

Unfortunately, the catch and release pool is fully iced over and not usable.

February date:

Weather permitting, Saturday 11th February will start off our yearly competition season. It will be a 9am start and if you would like more details please email me. I will update the website/facebook with details.

Price Increase

The cost of the fish increased twice during the last year or so but we did not pass that price onto our lovely customers. Unfortunately, we will have to do so now. Bibury has had additional costs rocketing from fish food etc as well as the price of fuel increase to get them to us. So from January 30th you will see an increase to your ticket prices as follows

2 fish = £28, 3 fish = £33 and a 4 fish ticket = £38. Catch and release will be £14. Everything else remains the same. We hope that you will still appreciate the quality of fish and standard of care we continue to give to you.

Events during 2023

The events that were most successful last year have been rescheduled for 2023. The dates are preprinted on the calendars (2 remaining at £6!) and are also on the noticeboard in the anglers kitchen. Please support us. All proceeds go to our chosen charity Macmillan Cancer.
