

September 2024 Newsletter Edition 38

Ooh I've managed to write a newsletter at last! Some of you like an email and some prefer a newsletter. So I'll do what I can do – but it is nice to put a few out on the table for people that are not on the mailing list to read.

It's been an up and down summer with odd weather and limited fly life but nevertheless, the early anglers have been doing well considering the temperatures and also the windy days with 65% of anglers catching their total bag potential. Not bad for this time of year. Generally, the fish have been 6-8ft down with the blue flash damsels, nymphs and buzzers a successful choice.

Road Closure

Station Road still says it is closed due to Severn Trent work. It isn't. You can drive round the obstruction so ignore it or go via The Bear and Ragged Staff entrance.

Litter

Throw away line and cigarette in the bin please. Both harm our wildlife and get into the lakes. You enjoy how it looks, please keep it that way.

Events

We are closed on **Thursday 26th September** for a private corporate event so please be aware.

Saturday October 5th @11am there will be a charity Macmillan Coffee morning if you would like to pop by and bring your wallet.

Office:

If you need to ask any urgent questions, it is always best to email them in as we are rarely in the office but emails get checked 3 or so times a day.

Help

If you think you could help other young anglers or new people to learn to fly fish please contact Emily. It would be on a voluntary basis or perhaps swapping for a fish ticket?

Food Available

Breakfast Sandwiches on thick crusty bread available for £5.

Full English £10 (inc juices, toast , cereal coffee etc)

Email Emily the day before to order.

Afternoon Teas £16.95pp

***Available Wed, Thursday and
Saturday afternoons until 3:30pm***

Deposit required.

Google /Trip advisor Reviews

Feel free to leave a lovely review for our small business. They really do help and get seen a lot. We are having new people all the time that have spotted the reviews online. And if you have already done so, thank you!!!!
